Dear Teacher,

Greetings from CBSE!!!

A Self-Assess Report has been prepared by the CBSE and Trinity College, London to facilitate you to analyze the performance of your students in the ASL in SA-II in 2013-14. This analysis will assist you in identifying the areas in which you need to work with your students. We will be sending you a school-wise and student-wise report for ASL-SA-II 2014-15. It is expected that you follow the guidelines uploaded on the 'Gateway to ASL'.

With best wishes!!!
