Subject: Museum functioning within Parliament Complex precincts – reg.

Dear Principal,

Greetings from CBSE!

We are happy to share with you information about one of the most exciting museum of our country which is functioning within Parliament Complex precincts. The Museum is a story telling Museum which is one of its kind. It is a hi-tech story telling Museum. It is fully computerized world-class, display, involving walk through period settings actuated by intelligent sound-light-video presentation, multi-screen panoramic projection on plasma screens and simulation of past historic events with the help of virtual and pneumatic animatronics.

The Museum depicts the democratic heritage of India through 17 different enclaves starting from the democratic heritage in ancient India and ending with evolution of Parliament in the country. It also provides a rare opportunity to accompany Gandhiji in his historic Dandi March through simulation and also hear the pneumatic controlled animation of Pandit Jawaharlal Nehru delivering the historic speeches in recreated Central Hall of Parliament House at the mid-night of 15 August 1947 and in the last session of Constituent Assembly on 24 January 1950. One more interesting feature available is the Braille facilities for the visually challenged visitors available in the Museum.

The Museum provides a rich experience to the students, teachers, parents and all others. The schools can organise educational visit to the Parliament Museum for their school children above the age of 10 years. It is open for public viewing from 11:00 am to 05:00 pm from Tuesdays to Saturdays. It will help in furthering knowledge, understanding and appreciation of the cultural legacy.

Yours sincerely,

Sd/-
